Unique Student Identifier (USI)

From 1 January 2015, we Training Australia First can be prevented from issuing you with a nationally recognised VET qualification or statement of attainment when you complete your course if you do not have a Unique Student Identifier (USI). In addition, we are required to include your USI in the data we submit to NCVET. If you have not yet obtained a USI you can apply for it directly at <https://www.usi.gov.au/students/create-your-usi/> on computer or mobile device.

18. Enter your Unique Student Identifier (USI) (if you already have one)

You may already have a USI if you have done any nationally recognised training, which could include training at work, completing a first aid course or RSA (Responsible Service of Alcohol) course, getting a white card, or studying at a TAFE or training organisation. It is important that you try to find out whether you already have a USI before attempting to create a new one. You should not have more than one USI. To check if you already have a USI, use the 'Forgotten USI' link on the USI website at <https://www.usi.gov.au/faws/i-have-forgotten-my-usi/>.

## Victorian Student Number

This section only needs to be completed for students who are up to 24 years old.

Since 2009 in schools and since 2011 for vocational education and training (VET) organisations and Adult Community Education providers, a Victorian Student Number (VSN) has been allocated upon enrolment to each individual student aged up to 24 years.

Students should report their VSN on all subsequent enrolments at a Victorian school or training organisation. In particular, all students who are currently enrolled in either a VET provider or a Victorian school (including those already participating in a VET in schools' program) should obtain their VSN from their current education or training organisation and report their VSN on this enrolment form.

*Students who are enrolling for the first time since the VSN was introduced will get a new VSN.*
